BENEFITS AT A GLANCE

The welfare benefit described in this summary is offered to the employees* of Occidental Petroleum Corporation and/or an affiliated company, as defined in the section *Eligibility and Enrollment*. This information, along with the Group Benefit Plan booklet (Booklet) provided by The Hartford Life Insurance Company (“Hartford”) or a successor carrier is your Summary Plan Description (SPD). You should keep and refer to it when you have questions about your long-term disability benefits. Any capitalized term not defined in the Glossary of this summary has the meaning ascribed to it in the Booklet that follows.

The Plan is designed to provide you with continuing income in case of a prolonged illness or injury. If Hartford, as the Claims Administrator, determines that you are disabled, as defined under the terms of the current in-force Long-Term Disability (LTD) Plan, monthly LTD benefits generally begin after the Elimination Period under the Plan. As long as you remain disabled under the terms of the LTD Plan, benefits are generally payable until age 65, when you may be eligible to retire.

You pay the full cost of this coverage. Refer to Hartford’s Booklet that follows for more information about these benefits.

This benefit program described in this SPD is covered under the Employee Retirement Income Security Act of 1974 (ERISA). As a participant in this LTD Plan, you have certain rights, described more fully at the end of the Hartford Booklet.

You have two coverage options—the Income Plus or the Basic Income; or you may waive coverage.

- **Income Plus** - Provides a benefit equal to 60% of your base pay while you are disabled under the terms of the LTD Plan. In addition, this option provides a lump sum disability completion benefit payable to you at the end of your LTD Plan disability period. This extra benefit will equal 10% of your pre-disability monthly base earnings times the number of full monthly benefits paid during your LTD Plan disability period. This amount will also be adjusted for cost of living at an annual rate of 6%, compounded monthly.

Your beneficiary under this option will be the same person you designated under the Occidental Petroleum Corporation Basic Life and Occupational Accidental Death and Dismemberment Plans.

- **Basic Income** - Provides a monthly benefit equal to 60% of your base pay while you are disabled under the terms of the LTD Plan, but does not provide the additional disability completion benefit.

* If you are an active full-time employee of Oxy Vinyls Services, Inc. who is subject to a collective bargaining agreement, you are covered by different LTD Plan provisions. Contact *OxyLink* or your Human Resources department for the applicable Booklet.

Currently, eligibility for medical, dental and life insurance coverage also continues, under the terms of those plans, while you are receiving LTD benefits under the LTD Plan.

Your LTD benefits are subject to offsets for income from other sources such as Workers' Compensation, Social Security, state-mandated disability plans and benefits under any company-sponsored retirement plan. The minimum monthly LTD benefit is \$150 and the maximum monthly benefit is \$10,000.

ELIGIBILITY AND ENROLLMENT

Eligibility

You are eligible to participate in the LTD Plan if you are a regular, full-time, nonbargaining hourly or salaried employee of Occidental Petroleum Corporation or an affiliated company (Oxy). For this purpose, "affiliated company" means any company in which 80 percent or more of the equity interest is owned by Occidental Petroleum Corporation. Temporary employees and employees of Tidelands Oil Production Company are not eligible to participate. You are considered a full-time employee under the Plan if you are regularly scheduled to work at least 30 hours per week. Generally, you are eligible to participate if you are paid on a U.S. dollar payroll, are designated as eligible to participate by your employer, and do not participate in a similar type of employer-sponsored plan. If you are part of a collective bargaining group, you are eligible to participate in the LTD Plan only if your negotiated bargaining agreement specifically provides for your participation.

Enrollment

If you enroll for LTD coverage within 31 days of your date of hire or eligibility, proof of good health will not be required. If you enroll within the first 31 days, your coverage will start as of the date of initial eligibility. If you have any questions or need additional information, contact *OxyLink*.

If you do not enroll within 31 days of the date you first become eligible, you must wait until the next Open Enrollment period to elect coverage and you will be required to provide Hartford with satisfactory proof of good health at your own cost. (See Hartford's Booklet for more details.)

Changing Your Elections

Open Enrollment

You may change your LTD Plan election for the following Plan year during Open Enrollment.

To change your coverage election, you must contact *OxyLink*, request an LTD application form, and submit it in a timely manner. You may:

- **Reduce** your current coverage level from the Income Plus to the Basic Income option.
- **Cancel** your current LTD coverage.
- **Apply** to Hartford for new LTD coverage or to increase coverage from the Basic Income to the Income Plus option. You will be required to submit an application to Hartford along with proof of good health. Costs associated with providing such proof will be at your expense, and coverage will begin only if Hartford approves your application.

If you elect to cancel or reduce your coverage, keep in mind that if you later wish to reenroll or increase coverage, you must submit a new application and provide proof of good health that is satisfactory to Hartford. You also risk the possibility that Hartford may not approve your application.

Between Open Enrollments

Under the Internal Revenue Code, once you make your enrollment decision, either when you are first eligible or during Open Enrollment, your elections must remain in effect for the entire Plan year.

CONTRIBUTIONS

The monthly contributions per \$100 of monthly base pay are provided in your enrollment packet and are available online at oxylink.oxy.com. You pay the entire cost of your coverage with pretax contributions. Your contribution is deducted from your paycheck each pay period.

Pretax contributions are deducted from your pay before federal income and Social Security taxes are calculated and withheld. If you live in a state that recognizes the federal tax treatment of pretax medical contributions, your state income tax also will be withheld after your contributions are deducted.

Because you pay the full cost for your LTD coverage with pretax contributions, the LTD benefits you receive after any offsets are taxable to you.

Pretax Contributions: Effect on Social Security and Other Statutory Benefits

Pretax LTD contributions reduce the amount of your earnings that are reported for Social Security purposes. Therefore, if you earn less than the Social Security Wage Base (SSWB) or if pretax contributions reduce your earnings below the SSWB, your Social Security withholding will be reduced. This reduced withholding could slightly decrease any Social Security benefits you may receive because Social Security benefits are based on your career earnings history.

In some states, certain other statutory benefits for which you may become eligible (such as unemployment insurance, Workers' Compensation and state disability insurance) are based on taxable earnings. Therefore, any benefit payments from these sources could be slightly reduced.

Pretax Contributions: Effect on Other Oxy Benefits

Your pay for purposes of determining pay-related Oxy benefits, such as Oxy's retirement, savings, disability and life insurance plans, will continue to be based on your base pay before pretax LTD contributions are deducted.

CONTINUATION OF COVERAGE

In some situations, you may continue your coverage after your coverage normally would end. Following is a summary of two of those situations—FMLA and USERRA Military Leave. For information regarding any other type of leave of absence, refer to the *When does your coverage terminate?* section of Hartford's Booklet.

During Approved Leaves of Absence

If you are on an approved unpaid leave of absence, including leaves under the Family and Medical Leave Act of 1993 (FMLA) or applicable state law, you may continue coverage during your approved leave, provided you make any required contributions. You can elect to continue your coverage for the duration of your unpaid leave of absence, up to a maximum of six months.

If you elect not to continue coverage during an approved leave under FMLA or similar state law, automatic reinstatement will be permitted upon your return to active employment. If you elect not to continue coverage during any other approved leave, you cannot reenroll until the next Open Enrollment period.

For additional information regarding an FMLA leave of absence, contact your Human Resources representative.

During Military Leave

During a military leave under the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA), coverage under the Long-Term Disability Plan may continue for you for a maximum of six months commencing with the effective date of the leave, provided that you make any required contributions. However, coverage is excluded for disabilities that result from any act of war. If you elect to discontinue your coverage during your USERRA military leave, automatic reenrollment will be permitted if you return to work within 12 months of your last day actively at work and request reinstatement within 31 days.

More information about the types of military service, the maximum length of military service, your deadline for returning to work, and other requirements for reemployment rights under USERRA is available online at dol.gov/vets.

You may contact your Human Resources representative or *OxyLink* with any questions regarding continued LTD coverage under USERRA. *OxyLink* must be contacted within thirty-one (31) days of the date that you return to work to reinstate your benefits under the special USERRA rules.

CLAIMS AND APPEALS

The Claims Administrator

Hartford, as the Claims Administrator, will decide your claims and appeals. Hartford has the exclusive discretionary authority to interpret LTD Plan provisions as well as to determine facts and other information related to claims and appeals. Hartford's decisions are conclusive and binding.

Notices You Receive from the Claims Administrator

The notices you receive from Hartford may be sent to you electronically instead of in writing.

Claims and Appeal Procedures

For information regarding claims and appeal procedures, refer to "Claims Procedures" in the section entitled *ERISA* in Hartford's Booklet.

If you have questions regarding your claim or your appeal, contact Hartford.

Legal Proceedings

Unless prohibited by applicable law, no legal action may be commenced prior to the completion of the benefit claims procedure as described in Hartford's Booklet. In addition, no legal action may be commenced after the later of: (i) 180 days after receiving the written response of Hartford to an appeal or (ii) 365 days after an applicant's original application for benefits.

GENERAL INFORMATION

Your ERISA Rights

For information regarding your rights under the Employee Retirement Income Security Act of 1974 (ERISA), refer to the section entitled *ERISA* in Hartford's Booklet.

Plan Documents

This benefit plan description summarizes the main features of the Plan for employees, and is not intended to amend, modify, or expand the Plan provisions. In all cases, the provisions of the Plan document and any applicable contracts control the administration and operation of the Plan. If a conflict exists between a statement in this summary and the provisions of the Plan document or any applicable contracts, the Plan document will govern.

Discretionary Authority of Plan Administrator and Claims Administrator

In accordance with sections 402 and 503 of Title I of ERISA, the Plan sponsor has designated a Named Fiduciary under the Plan, who has complete authority to review all denied claims for benefits under the Plan. The Plan Administrator has discretionary authority to determine who is eligible for coverage under the Plan and the Claims Administrator has discretionary authority to determine eligibility for benefits under the Plan. In exercising its fiduciary responsibilities, the Named Fiduciary shall have discretionary authority to determine whether and to what extent covered Plan participants are eligible for benefits, and to construe disputed or doubtful Plan terms. The Named Fiduciary shall be deemed to have properly exercised such authority unless it has abused its discretion hereunder by acting arbitrarily and capriciously.

No Guarantee of Employment

By adopting and maintaining the Occidental Petroleum Corporation Welfare Plan for certain eligible employees, Oxy has not entered into an employment contract with any employee. Nothing contained in the Plan Documents or in this summary gives any employee the right to be employed by Oxy or to interfere with Oxy's right to discharge any employee at any time. Similarly, this Plan does not give Oxy the right to require any employee to remain employed by Oxy or to interfere with the employee's right to terminate employment with Oxy at any time.

Future of the Plan and Plan Amendment

Oxy expects and intends to continue this Plan, but does not guarantee any specific level of benefits or the continuation of any benefits during any periods of active employment, inactive employment, disability or retirement. Benefits are provided solely at Oxy's discretion. Oxy reserves the right, at any time or for any reason, through an action of the Executive Vice President of Human Resources of Occidental Petroleum Corporation, to suspend, withdraw, amend, modify, or terminate the Plan (including altering the amount you must pay for any benefit), in whole or in part. In the case of a material change in the description of the Plan, such action will be evidenced by a written announcement to affected individuals.

During the Initial Benefit Period, we will determine your Monthly Benefit in accordance with the Calculation of Monthly Benefit provision.

During the Continuing Benefit Period, if you are receiving benefits under Social Security Disability or Social Security Retirement plans, or an alternative plan for federal, state or municipal employees, we will determine your Monthly Benefit as follows:

1. multiply your Pre-disability Earnings by the Initial Benefit Period Percentage for which you enrolled;
2. compare the result with the Maximum Benefit for which you enrolled ; and
3. from the lesser amount, deduct Other Income Benefits.

The result is your Monthly Benefit.

During the Continuing Benefit Period, if you are not receiving benefits under Social Security Disability or Social Security Retirement plans, or an alternative plan for federal, state or municipal employees, we will determine your Monthly Benefit as follows:

1. multiply your Pre-disability Earnings by the Continuing Benefit Period Percentage for which you enrolled ;
2. multiply your Pre-disability Earnings by the Initial Benefit Period Percentage for which you enrolled, and deduct all Other Income Benefits; and

The result of the calculation giving the least amount is your Monthly Benefit.

When will You become eligible? (Eligibility Waiting Period)

You are eligible on the later of either the Plan Effective Date or the date You enter an eligible class.

The Elimination Period is the period of time You must be Disabled before benefits become payable. It is the last to be satisfied of the following:

1. the first 26 consecutive week(s) of any one period of Disability; or
2. with the exception of benefits required by state law, the expiration of any Employer sponsored short term disability benefits or salary continuation program.

MAXIMUM DURATION OF BENEFITS TABLE

Prior to Age 60	To Age 65
Ages 60 - 64	60 months
Ages 65 - 68	To age 70
Age 69 and over	12 months

The above table shows the maximum duration for which benefits may be paid. All other limitations of the plan will apply.

ELIGIBILITY AND ENROLLMENT

Who are Eligible Persons?

All persons in the class or classes shown in the Schedule of Insurance will be considered Eligible Persons.

When will You become eligible?

You will become eligible for coverage on either:

1. the Plan Effective Date, if You have completed the Eligibility Waiting Period; or if not
2. the date on which You complete the Eligibility Waiting Period.

See the Schedule of Insurance for the Eligibility Waiting Period.

How do You enroll?

To enroll You must:

1. complete and sign a group insurance enrollment form which is satisfactory to us; and
2. deliver it to the Employer.

If You do not enroll within 31 days after becoming eligible, the following limitations will apply to a later enrollment:

1. You must submit Evidence of Insurability satisfactory to us; and
2. You may not enroll until:
 - a) an Annual Enrollment Period; or
 - b) You have a Change in Family Status.

Any such enrollment must be made during the Annual Enrollment Period or within 31 days of the Change in Family Status.

The dates of the Annual Enrollment Period are shown in the Schedule of Insurance.

What constitutes a Change in Family Status?

A Change in Family Status means:

1. Your marriage, or the birth or adoption of a child, or becoming the legal guardian of a child; or
2. the death of or divorce from Your spouse; or
3. the death of or emancipation of a child.

What is Evidence of Insurability?

If You are required to submit Evidence of Insurability, You must:

1. complete and sign a health and medical history form provided by us;
2. submit to a medical examination, if requested;
3. provide any additional information and attending physicians' statements that we may require; and
4. furnish all such evidence at Your own expense.

We will then determine if You are insurable under the plan.

WHEN COVERAGE STARTS

When does Your coverage start?

If you must contribute towards the plan's cost, your coverage will start on the date determined below:

1. the date you become eligible, if you enroll or have enrolled by then;
2. the date on which you enroll, if you do so within 31 days after the date you are eligible;
3. the date we approve your Evidence of Insurability, if you are required to submit Evidence of Insurability;
4. the January 1st following the Annual Enrollment Period if you enroll during an Annual Enrollment Period; or
5. the first day of the month following the Change in Family Status if you enroll during a Change in Family Status.

DEFERRED EFFECTIVE DATE

When will coverage become effective if a disabling condition causes You to be absent from work on the date it is to start?

If You are absent from work due to:

1. accidental bodily injury;
2. sickness;
3. pregnancy;
4. Mental Illness; or
5. Substance Abuse,

on the date Your insurance or increase in coverage would otherwise have become effective, Your effective date will be deferred. Your insurance, or increase in coverage will not become effective until You are Actively at Work for one full day.

CHANGES IN COVERAGE

Can You change benefit options?

You may change to an option providing increased or decreased benefits only:

1. during an Annual Enrollment Period; or
2. within 31 days of a Change in Family Status.

You may decrease coverage, or increase coverage to a higher option. An increase in coverage will be subject to Your submission of Evidence of Insurability that meets our approval.

When will a requested change in benefit options take effect?

If You enroll for a change in benefit option during an Annual Enrollment Period, the change will take effect on the later of:

1. the first day of the month following the Annual Enrollment Period; or
2. the date we approve Your Evidence of Insurability if You are required to submit Evidence of Insurability.

If You enroll for a change in benefit option within 31 days following a Change in Family Status, the change will take effect on the later of:

1. the date You enroll for the change; or
2. the date we approve Your Evidence of Insurability if You are required to submit Evidence of Insurability.

Any such increase in coverage is subject to the Deferred Effective Date Provision.

Do coverage amounts change if there is a change in Your class or Your rate of pay?

Your coverage may increase or decrease on the date there is a change in Your class or Monthly Rate of Basic Earnings. However, no increase in coverage will be effective unless on that date You:

1. are an Active Full-time Employee; and
2. are not absent from work due to being Disabled.

If You were so absent from work, the effective date of such increase will be deferred until You are Actively at Work for one full day.

No change in Your Rate of Basic Earnings will become effective until the date we receive notice of the change.

What happens if the Employer changes the plan?

Any increase or decrease in coverage because of a change in the Schedule of Insurance will become effective on the date of the change, subject to the Deferred Effective Date provision.

BENEFITS

When do benefits become payable?

You will be paid a monthly benefit if:

1. You become Disabled while insured under this plan;
2. You are Disabled throughout the Elimination Period;
3. You remain Disabled beyond the Elimination Period;
4. You are, and have been during the Elimination Period, under the Regular Care of a Physician; and
5. You submit proof of loss.

Benefits accrue as of the first day after the Elimination Period and are paid monthly.

Loss of License: Your failure to pass a physical examination required to maintain a license to perform the duties of Your Occupation alone, does not mean that You are Disabled. However, information relating to Your loss of license supporting Your claim for benefits may be submitted as part of Your proof of Loss.

When will benefit payments terminate?

We will terminate benefit payment on the first to occur of:

1. the date You are no longer Disabled as defined;
2. the date You fail to furnish Proof of Loss, when requested by us;
3. the date You are no longer under the Regular Care of a Physician, or refuse our request that You submit to an examination by a Physician;
4. the date You die;
5. the date determined from the Maximum Duration of Benefits Table shown in the Schedule of Insurance;
6. the date no further benefits are payable under any provision in this plan that limits benefit duration; or
7. the date you refuse to receive recommended treatment that is generally acknowledged by physicians to cure, correct or limit the disabling condition.

MENTAL ILLNESS AND SUBSTANCE ABUSE BENEFITS**Are benefits limited for Mental Illness or Substance Abuse?**

If You are Disabled because of:

1. Mental Illness that results from any cause;
2. any condition that may result from Mental Illness;
3. alcoholism; or
4. the non-medical use of narcotics, sedatives, stimulants, hallucinogens, or any other such substance,

then, subject to all other Policy provisions, benefits will be payable:

1. only for so long as You are confined in a hospital or other place licensed to provide medical care for the disabling condition; or
2. when You are not so confined, a total of 24 months for all such Disabilities during Your lifetime.

RECURRENT DISABILITY**What happens if you return to work but become Disabled again?**

Attempts to return to work as an Active Full-time Employee during the Elimination Period will not interrupt the Elimination Period, subject to the following limitations:

1. for an Elimination Period of 180 or more days, up to 90 such return-days are allowed;
2. for an Elimination Period of less than 180 days, up to 5 such return-days are allowed for each 30 days of Elimination Period.

Any day you were Actively at Work will not count towards the Elimination Period.

After the Elimination Period, when a return to work as an Active Full-time Employee is followed by a recurrent Disability, and such Disability is:

1. due to the same cause; or
2. due to a related cause; and
3. within 6 month(s) of the return to work,

the Period of Disability prior to your return to work and the recurrent Disability will be considered one Period of Disability, provided the Group Insurance Policy remains in force.

If you return to work as an Active Full-time Employee for 6 months or more, any recurrence of a Disability will be treated as a new Disability. A new Disability is subject to a new Elimination Period and a new Maximum Duration of Benefits. The Elimination Period and Maximum Duration of Benefits Table are in the Schedule of Insurance.

The term "Period of Disability" as used in this provision means a continuous length of time during which you are Disabled under this plan.

CALCULATION OF MONTHLY BENEFIT**How are benefits calculated for Total Disability?**

If You are Disabled after the Elimination Period, Your Monthly Benefits will be calculated as follows:

1. multiply Your Pre-disability Earnings by the Benefit Percentage shown in the Schedule of Insurance;
2. identify the Maximum Benefit shown in the Schedule of Insurance; and
3. compare the amounts determined in items (1) and (2) above, and from the lesser amount subtract:
 - a) all Other Income Benefits; and
 - b) Current Monthly Earnings.

The result is Your Monthly Benefit. Your Monthly Benefit, however, will not be less than the Minimum Monthly Benefit shown in the Schedule of Insurance.

If a reduction to Your Monthly Benefit is applied for Current Monthly Earnings, we will adjust your Pre-disability Earnings for inflation annually by the percentage change in the Consumer Price Index (CPI-W) prior to taking that reduction. The adjustment will be made January 1st each year after you have been Disabled for 12 consecutive months, and if you are receiving benefits at the time the adjustment is made.

For the first 12 months that benefits are payable while working, We will only reduce Your Monthly Benefit by that amount of Your Current Monthly Earnings, which when combined with Your Monthly Benefit amount exceed 100% of Your Indexed Pre-disability Earnings. After 12 months We will subtract 50% of Your Current Monthly Earnings.

How is the benefit calculated for a period of less than a month?

If a Monthly Benefit is payable for less than a month, we will pay 1/30 of the Monthly Benefit for each day you were Disabled.

DISABILITY COMPLETION BENEFIT

If you elected this option, and have been receiving a Monthly Benefit for being Disabled, and your Monthly Benefits under The Policy cease because:

- 1) you are no longer Disabled;
- 2) the Maximum Benefit Duration as provided in the Schedule of Insurance has been reached;
- 3) you return to Active Full-time Employment for at least 90 days;
- 4) you die; or
- 5) your benefits cease for other reasons stated in the provisions entitled "When will benefit payments cease?";

we will pay you a Disability Completion Benefit. The Disability Completion Benefit will equal the product of 10% of your monthly Pre-Disability Earnings multiplied by the number of Monthly Benefit payments paid to you for your period of Disability. For purposes of this benefit, your Pre-Disability Earnings are limited to a maximum of \$16,667 per month, or \$200,000 if calculated on an annual basis. The Disability Completion Benefit will be adjusted for increases in the cost of living at the rate of 6% for each year you were disabled.

The benefit will be paid to you in a lump sum. If you are not living when payment is made, we will pay:

- 1) the primary beneficiary which you have designated, as filed in writing with the Employer under any basic life insurance plan sponsored by the Employer, if living on the date of your death; or
- 2) the named contingent beneficiary, if the primary beneficiary predeceases you; or
- 3) your estate if no named beneficiary is living at the time of your death.

If you again become Disabled after having received a Disability Completion Benefit for the purposes of this Disability Completion Benefit, the new or recurrent Disability will be treated as a new period of Disability, and any subsequent Disability Completion Benefit will be based only on the new period of Disability.

The Disability Completion Benefit will be calculated as follows:

$$\frac{B}{A} [(1.A) - 1] \times [C \times D] = \text{Disability Completion Benefit}$$

A = Cost of living Percentage: 6% divided by 12 (months).

B = Number of full months that Monthly Benefits were received

and for which an earlier Disability Completion Benefit was not paid.
C = Disability Completion Benefit Percentage: 10% D
= Monthly Pre-Disability Earnings.

After the Initial Benefit Period expires, is there any allowance if You are ineligible for Social Security?

If Your Disability prevents You from performing the Essential Duties of Any Occupation, but Your claim for disability benefits under The United States Social Security System, or an alternative plan for federal, state or municipal employees:

- 1) was denied because You have not worked under these systems long enough to be eligible for disability benefits, Your Monthly Benefit during the Continuing Benefit Period will be calculated using the Initial Benefit Period Percentage; or
- 2) is still pending at the time the Initial Benefit Period expires, benefits may be advanced at the Initial Benefit Period Percentage until the earlier to occur of:
 - a) the 12th month following the expiration of the Initial Benefit Period; or
 - b) the final adjudication of Your claim for Social Security disability benefits.

RETURN TO WORK INCENTIVE

How are benefits calculated if You return to limited duties during or following the Elimination Period?

For the first 12 months of a period of Partial Disability, Your Monthly Benefit will be calculated as follows:

- 1) Multiply Your Indexed Pre-disability Earnings by the Benefit Percentage;
- 2) Compare the result with the Maximum Benefit; and
- 3) From the lesser amount, deduct Other Income Benefits. This is Your Monthly Benefit.

Your Monthly Benefit will be reduced by the amount of Your Current Monthly Earnings, which when combined with Your Monthly Benefit amount exceed 100% of Your Indexed Pre-disability Earnings.

How are benefits calculated after the 12th Monthly Benefit has been paid?

After 12 months of benefit have been paid to You for Partial Disability and for any remaining or additional periods of Partial Disability, Your Monthly Benefit will be calculated as follows:

- 1) Multiply Your Indexed Pre-disability Earnings by the Benefit Percentage;
- 2) Compare the result with the Maximum Benefit; and
- 3) From the lesser amount, deduct Other Income Benefits and 50% of Your Current Monthly Earnings.

The result is Your Monthly Benefit.

Your Monthly Benefit, however, will not be less than the Minimum Monthly Benefit shown in the Schedule of Insurance.

How is the benefit calculated for a period of less than a month?

If a Monthly Benefit is payable for less than a month, we will pay 1/30 of the Monthly Benefit for each day you were Disabled.

Benefit Percentages and Maximum Benefits are shown in the Schedule of Insurance.

During the Continuing Benefit Period, if You are not receiving benefits under the Return to Work Incentive, but You are receiving benefits under Social Security Disability or Social Security Retirement plans, or an alternative plan for federal, state or municipal employees, we will determine Your Monthly Benefit as follows:

1. multiply Your Monthly Income Loss by the Initial Benefit Period Percentage;
2. compare the result with the Maximum Benefit; and
3. from the lesser amount, deduct Other Income Benefits.

The result is Your Monthly Benefit.

During the Continuing Benefit Period, if You are not receiving benefits under the Return to Work Incentive, or under Social Security Disability or Social Security Retirement plans, or an alternative plan for federal, state or municipal employees, we will determine Your Monthly Benefit as follows:

1. multiply Your Pre-disability Earnings by the Continuing Benefit Period Percentage;
2. multiply Your Monthly Income Loss by the Initial Benefit Period Percentage, and deduct all Other Income Benefits; and
3. deduct all Other Income Benefits from the Maximum Benefit.

The result of the calculation giving the least amount is Your Monthly Benefit.

After the Initial Benefit Period expires, is there any allowance if You are ineligible for Social Security?

If Your Disability prevents You from performing the Essential Duties of Any Occupation, but Your claim for disability benefits under The United States Social Security System, or an alternative plan for federal, state or municipal employees:

1. was denied because You have not worked under these systems long enough to be eligible for disability benefits, Your Monthly Benefit during the Continuing Benefit Period will be calculated using the Initial Benefit Period Percentage; or
2. is still pending at the time the Initial Benefit Period expires, benefits may be advanced at the Initial Benefit Period Percentage until the earlier to occur of:
 - a) the 12th month following the expiration of the Initial Benefit Period; or
 - b) the final adjudication of Your claim for Social Security disability benefits.

**VOCATIONAL REHABILITATION/
REHABILITATIVE EMPLOYMENT**

What Vocational Rehabilitative services are available?

Our Vocational Rehabilitative Services include, when appropriate, any necessary and feasible:

1. vocational testing;
2. vocational training;
3. work-place modification, to the extent not otherwise provided;
4. prosthesis; or
5. job placement.

Rehabilitative Employment means employment that is part of a program of Vocational Rehabilitation. Any program of Rehabilitative Employment must be approved, in writing, by us.

Do earnings from Rehabilitative Employment affect the Monthly Benefit?

If You are Disabled and are engaged in an approved program of Rehabilitative Employment, For the first 12 months that benefits are payable to You under this provision, the sum of Your Monthly Benefit and Your earnings received from Rehabilitative Employment may not exceed 100 % of Your Indexed Pre-disability Earnings. If it does, the Monthly Benefit will be reduced by the amount of excess. We will deduct any Other Income Benefits from the Monthly Benefit payable to You under this provision.

After 12 months of benefits have been paid under this provision, Your Monthly Benefit will be:

1. the Monthly Benefit amount payable for Total Disability; but
2. reduced by Other Income Benefits and 50% of the income received from each month of such Rehabilitative Employment

FAMILY CARE CREDIT BENEFIT

What if You must incur expenses for Family Care Services in order to participate in a program of Rehabilitative Employment?

If You are working as part of a program of Rehabilitative Employment, we will, for the purpose of calculating Your benefit, deduct the cost of Family Care from earnings received from Rehabilitative Employment, subject to the following limitations:

1. Family Care means the care or supervision of:
 - a) Your children under age 13; or
 - b) a member of Your household who is mentally or physically handicapped and dependent upon You for support and maintenance;
2. the maximum monthly deduction allowed for each qualifying child or family member is:
 - a) \$350 during the first 12 months of Rehabilitative Employment; and
 - b) \$175 thereafter,but in no event may the deduction exceed the amount of Your monthly earnings;
3. Family Care Credits may not exceed a total of \$2,500 during a calendar year;
4. the deduction will be reduced proportionally for periods of less than a month;
5. the charges for Family Care must be documented by a receipt from the caregiver;
6. the credit will cease on the first to occur of the following:
 - a) You are no longer in a program of Rehabilitative Employment; or
 - b) Family Care Credits for 24 months have been deducted during Your Disability; and
7. no Family Care provided by an immediate relative of the family member receiving the care will be eligible as a deduction under this provision. An immediate relative is a spouse, sibling, parent, step-parent, grandparent, aunt, uncle, niece, nephew, son, daughter or grandchild.

Your net earnings after deducting your Family Care Credit will be used to determine your net Monthly Benefit according to the Rehabilitative Employment provision. The sum of your net Monthly Benefit and gross income from Rehabilitative Employment, before deducting your Family Care Credit, may not exceed 100% of your Indexed Predisability Earnings. If it does, the net Monthly Benefit will be reduced by the amount of the excess.

WORKPLACE MODIFICATION BENEFIT

Will our Rehabilitation program provide for modifications to the workplace to accommodate a Disabled employee's return to work?

We will reimburse Your Employer for the expense of reasonable modifications to Your workplace to accommodate Your Disability and enable You to return to work as an Active Full-time Employee. To qualify for this benefit:

2. we have not given written approval of the modification prior to expenses being incurred; or
3. You become self-employed, or return to work for another employer.

Physical Examinations and Autopsy: What additional proof of Disability are We entitled to?

An overpayment occurs when it is determined that the total amount we have paid in benefits is more than the amount that was due to You under the plan. This includes, but is not limited to, overpayments resulting from:

1. retroactive awards of Other Income Benefits;
2. failure to report, or late notification to us of Other Income Benefits or earned income;
3. misstatement; or
4. an error we may make.

We have the right to recover from You any amount that is an overpayment of benefits under this plan. You must refund to us the overpaid amount. 2. becomes entitled to and is paid benefits under the Group Insurance Policy in compensation for lost wages; and
3. does not initiate legal action for the recovery of such benefits from the third party in a reasonable period of time;

then we will be subrogated to any rights the Insured Person may have against the third party and may, at our option, bring legal action to recover any payments made by us in connection with the Disability.

How will We Determine Your Eligibility for Benefits?

We, and not Your Employer or plan administrator, have the responsibility to fairly, thoroughly, objectively and timely investigate, evaluate and determine Your eligibility for benefits for any claim You make on The Policy. We will:

- 1) obtain, with Your cooperation and authorization if required by law, only such information that is necessary to evaluate Your claim and decide whether to accept or deny Your claim for benefits. We may obtain this information from Your Notice of Claim, submitted proofs of loss, statements, or other materials provided by You or others on Your behalf; or, at Our expense We may obtain necessary information, or have You physically examined when and as often as We may reasonably require while the claim is pending. In addition, and at Your option and at Your expense, You may provide Us and We will consider any other information, including but not limited to, reports from a Physician or other expert of Your choice. You should provide Us with all information that You want Us to consider regarding Your claim;
- 2) consider and interpret The Policy and all information obtained by Us and submitted by You that relates to Your claim for benefits and make Our determination Your eligibility for benefits based on that information and in accordance with the Policy and applicable law;
- 3) if We approve Your claim, We will review Our decision to approve Your claim for benefits as often as is reasonably necessary to determine Your continued eligibility for benefits;
- 4) if We deny Your claim, We will explain in writing to You or Your beneficiaries the basis for an adverse determination in accordance with the Policy as described in the provision entitled "What notification will You receive if Your claim is denied?"

In the event We deny Your claim for benefits, in whole or in part, You can appeal the decision to Us. If You choose to appeal Our decision, the process You must follow is set forth in The Policy provision entitled "What recourse do You have if Your claim is denied?" If You do not appeal the decision to Us, then the decision will be Hartford's final decision.

DEFINITIONS

The terms listed will have these meanings.

Actively at Work

You will be considered to be actively at work with your Employer on a day which is one of your Employer's scheduled work days if you are performing, in the usual way, all of the regular duties of your job on a Full-time basis on that day. You will be deemed to be actively at work on a day which is not one of your Employer's scheduled work days only if you were actively at work on the preceding scheduled work day.

Active Full-time Employee means an employee who works for the Employer on a regular basis in the usual course of the Employer's business. The employee must work the number of hours in the Employer's normal work week. This must be at least the number of hours indicated in the Schedule of Insurance.

Any Occupation, if used in this Booklet-certificate, means an occupation in which You could reasonably be expected to perform satisfactorily in light of Your age, education, training, experience, station in life, and physical and mental capacity.

Current Monthly Earnings means the monthly earnings You receive from work You perform for Your Employer or for another employer with whom You became employed after Your Disability commenced.

Employer means the Policyholder.

Essential Duty means the substantial and material acts that are normally required for the performance of Your Usual Occupation, which cannot reasonably be omitted or modified.

To be at work for the number of hours in Your regularly scheduled workweek is also an Essential Duty.

Your Occupation or Your Usual Occupation, if used in this Booklet-certificate, means any employment, business, trade or profession and the substantial and material acts of the occupation You were regularly performing for Your employer when the disability began. Your Occupation is not necessarily limited to the specific job You performed for Your employer.

Indexed Pre-disability Earnings when used in this policy means Your Pre-disability Earnings adjusted annually by the percentage change in the Consumer Price Index (CPI-W).

The adjustment is made January 1st each year after You have been Disabled for 12 consecutive months, and if You are receiving benefits at the time the adjustment is made.

The term Consumer Price Index (CPI-W) means the index for Urban Wage Earners and Clerical Workers published by the United States Department of Labor. It measures on a periodic (usually monthly) basis the change in the cost of typical urban wage earners' and clerical workers' purchase of certain goods and services. If the index is discontinued or changed, We may use another nationally published index that is comparable to the CPI-W.

For the purposes of this benefit, the percentage change in the CPI-W means the difference between the current year's CPI-W as of July 31st, and the prior year's CPI-W as of July 31st, divided by the prior year's CPI-W.

Mental Illness means any psychological, behavioral or emotional disorder or ailment of the mind, including physical manifestations of psychological, behavioral or emotional disorders, but excluding demonstrable, structural brain damage.

 - b) an executive non qualified deferred compensation arrangement; or
 - c) a salary reduction arrangement under an IRC Section 125 plan; and
2. not including bonuses, commissions, overtime pay or expense reimbursements for the same period as above.

Other Income Benefits mean the amount of any benefit for loss of income, provided to You as a result of the Disability for which You are claiming benefits under this plan. This includes any such benefits that are paid to You or to a third party on Your behalf. This includes the amount of any benefit for loss of income from:

1. the United States Social Security Act, Civil Service Retirement System, the Railroad Retirement Act, the Jones Act, the Canada Pension Plan, the Quebec Pension Plan or similar plan or act that You are eligible to receive because of Your Disability;
2. the Veteran's Administration or any other governmental agency for the same Disability;
3. any governmental law or program that provides disability benefits as a result of Your job with the Employer;
4. salary continuation or sick pay;
5. the portion of a settlement or judgment, minus associated costs, of a lawsuit that represents or compensates for Your loss of earnings;
6. any temporary disability benefits under a workers' compensation law, occupational disease law, or similar law.

Other Income Benefits also means the amount of any benefit for loss of income, provided to Your family from the United States Social Security Act, The Railroad Retirement Act, the Canada Pension Plan, the Quebec Pension Plan or similar plan or act that Your family is eligible to receive as a result of the Disability for which You are claiming benefits under this plan.

You will not be required to claim any retirement benefits which You may only get on a reduced basis.

Any general increase in benefits required by law that You are entitled to receive under any Federal Law will not reduce the Long Term Disability Benefit payable for a period of Total Disability that began prior to the date of such increase.

If You are paid Other Income Benefits in a lump sum, We will pro rate the lump sum:

1. over the period of time it would have been paid if not paid in a lump sum; or
2. if such period of time cannot be determined over a period of 24 months.

We may require:

1. Your signed statement identifying all Other Income Benefits; and
2. proof that You and Your family have duly applied for all Other Income Benefits We reasonably believe You or Your family are entitled to or eligible to receive as a result of the Disability for which You are claiming benefits under this plan.

You will be required to apply for Social Security disability benefits when the length of Your Disability meets the minimum duration required to apply for such benefits. You will be required to apply within 45 days from the date of Our request. If the Social Security Administration denies Your eligibility for benefits, You will be required:

- 1) to follow the process established by the Social Security Administration to reconsider the denial; and
- 2) if denied again, to request a hearing before an Administrative Law Judge of the Office of Hearing and Appeals if such action can reasonably be expected to result in an award.

If You are eligible for benefits under The Canadian Pension Plan, The Quebec Pension Plan, Railroad Retirement Act, or other similar government plan You will be required to apply for such benefits if such action can reasonably be expected to result in such an award. You will be required to pursue those benefits You are eligible to receive with reasonable diligence.

If Your disability was caused by a work injury, You will be required to apply for Workers' Compensation benefits with Your employer if such action can reasonably be expected to result in such an award. You will be required to pursue those benefits with reasonable diligence.

STATEMENT OF ERISA RIGHTS

As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA), as amended. ERISA provides that all Plan participants shall be entitled to:

1. Receive Information About Your Plan and Benefits

- a) Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- b) Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary Plan description. The administrator may make a reasonable charge for the copies.
- c) Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

2. Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit Plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

3. Enforce Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules. Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. If the Plan requires you to complete administrative appeals prior to filing in court, your right to file suit in state or Federal court may be affected if you do not complete the required appeals. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

4. Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration (formerly known as the Pension and Welfare Benefits Administration), U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

CLAIM PROCEDURES

The Plan has designated and named the Insurance Company as the claims fiduciary for benefits provided under the Policy. The Plan has granted the Insurance Company full discretion and authority to determine eligibility for benefits and to construe and interpret all terms and provisions of the Policy.

Claim Procedures for Claims Requiring a Determination of Disability

Claims for Benefits

If you or your authorized representative would like to file a claim for benefits for yourself or your insured dependents, you or your authorized representative should obtain a claim form(s) from your Employer or Plan Administrator. The applicable section of such form(s) must be completed by (1) you, (2) the Employer or Plan Administrator and (3) the attending physician or hospital. Following completion, the claim form(s) must be forwarded to the Insurance Company's claim representative. The Insurance Company will evaluate your claim and determine if benefits are payable.

The Insurance Company will make a decision no more than 45 days after receipt of your properly filed claim. The time for decision may be extended for two additional 30 day periods provided that, prior to any extension period, the Insurance Company notifies you in writing that an extension is necessary due to matters beyond the control of the Plan, identifies those matters and gives the date by which it expects to render its decision. If your claim is extended due to your failure to submit information necessary to decide your claim, the time for decision may be tolled from the date on which the notification of the extension is sent to you until the date we receive your response to our request. If the Insurance Company approves your claim, the decision will contain information sufficient to reasonably inform you of that decision.

Any adverse benefit determination will be in writing and include: 1) specific reasons for the decision, 2) specific references to the Policy provisions on which the decision is based, 3) a description of any additional material or information necessary for you to perfect the claim and an explanation of why such material or information is necessary, 4) a description of the review procedures and time limits applicable to such procedures, 5) a statement that you have the right to bring a civil action under section 502(a) of ERISA after you appeal our decision and after you receive a written denial on appeal, and 6) (A) if an internal rule, guideline, protocol, or other similar criterion was relied upon in making the denial, either (i) the specific rule, guideline, protocol or other similar criterion, or (ii) a statement that such a rule, guideline, protocol or other similar criterion was relied upon in making the denial and that a copy will be provided free of charge to you upon request, or (B) if denial is based on medical judgment, either (i) an explanation of the scientific or clinical judgment for the determination, applying the terms of the Policy to your medical circumstances, or (ii) a statement that such explanation will be provided to you free of charge upon request.

Appealing Denials of Claims for Benefits

On any wholly or partially denied claim, you or your representative must appeal once to the Insurance Company for a full and fair review. You must complete this claim appeal process before you file an action in court. Your appeal request must be in writing and be received by the Insurance Company no later than the expiration of 180 days from the date you received your claim denial. As part of your appeal:

1. you may request, free of charge, copies of all documents, records, and other information relevant to your claim; and
2. you may submit written comments, documents, records and other information relating to your claim.

The Insurance Company's review on appeal shall take into account all comments, documents, records and other information submitted by you relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

The Insurance Company will make a final decision no more than 45 days after it receives your timely appeal. The time for final decision may be extended for one additional 45 day period provided that, prior to the extension, the Insurance Company notifies you in writing that an extension is necessary due to special circumstances, identifies those circumstances and gives the date by which it expects to render its decision. If your claim is extended due to your failure to submit information necessary to decide your claim on appeal, the time for decision shall be tolled from the date on which the notification of the extension is sent to you until the date we receive your response to the request.

The individual reviewing your appeal shall give no deference to the initial benefit decision and shall be an individual who is neither the individual who made the initial benefit decision, nor the subordinate of such individual. The review process provides for the identification of the medical or vocational experts whose advice was obtained in connection with an initial adverse decision, without regard to whether that advice was relied upon in making that decision. When deciding an appeal that is based in whole or part on medical judgment, we will consult with a medical professional having the appropriate training and experience in the field of medicine involved in the medical judgment and who is neither an individual consulted in connection with the initial benefit decision, nor a subordinate of such individual. If the Insurance Company grants your claim appeal, the decision will contain information sufficient to reasonably inform you of that decision.

However, any final adverse benefit determination on review will be in writing and include: 1) specific reasons for the decision, 2) specific references to the Policy provisions on which the decision is based, 3) a statement that you have the right to bring a civil action under section 502(a) of ERISA, 4) a statement that you may request, free of charge, copies of all documents, records, and other information relevant to your claim; 5) (A) if an internal rule, guideline, protocol, or other similar criterion was relied upon in making the decision on appeal, either (i) the specific rule, guideline, protocol or other similar criterion, or (ii) a statement that such a rule, guideline, protocol or other similar criterion was relied upon in making the decision on appeal and that a copy will be provided free of charge to you upon request, or (B) if the decision on appeal is based on medical judgment, either (i) an explanation of the scientific or clinical judgment for the decision on appeal, applying the terms of the Policy to your medical circumstances, or (ii) a statement that such explanation will be provided to you free of charge upon request, and 6) any other notice(s), statement(s) or information required by applicable law.

Claim Procedures for Claims Not Requiring a Determination of Disability

Claims for Benefits

If you or your authorized representative would like to file a claim for benefits for yourself or your insured dependents, you or your authorized representative should obtain a claim form(s) from your Employer or Plan Administrator. The applicable section of such form(s) must be completed by (1) you, (2) the Employer or Plan Administrator and (3) the attending physician or hospital. Following completion, the claim form(s) must be forwarded to the Insurance Company's claim representative. The Insurance Company will evaluate your claim and determine if benefits are payable.

The Insurance Company will make a decision no more than 90 days after receipt of your properly filed claim. However, if the Insurance Company determines that special circumstances require an extension, the time for its decision will be extended for an additional 90 days, provided that, prior to the beginning of the extension period, the Insurance Company notifies you in writing of the special circumstances and gives the date by which it expects to render its decision. If extended, a decision shall be made no more than 180 days after your claim was received. If the Insurance Company approves your claim, the decision will contain information sufficient to reasonably inform you of that decision.

However, any adverse benefit determination will be in writing and include: 1) specific reasons for the decision; 2) specific references to Policy provisions on which the decision is based; 3) a description of any additional material or information necessary for you to perfect the claim and an explanation of why such material or information is necessary; 4) a description of the review procedures and time limits applicable to such, and 5) a statement that you have the right to bring a civil action under section 502(a) of ERISA after you appeal our decision and after you receive a written denial on appeal.

Appealing Denials of Claims for Benefits

On any wholly or partially denied claim, you or your representative must appeal once to the Insurance Company for a full and fair review. You must complete this claim appeal process before you file an action in court. Your appeal request must be in writing and be received by the Insurance Company no later than the expiration of 60 days from the date you received your claim denial. As part of your appeal:

1. you may request, free of charge, copies of all documents, records, and other information relevant to your claim; and
2. you may submit written comments, documents, records and other information relating to your claim.

The Insurance Company's review on appeal shall take into account all comments, documents, records and other information submitted by you relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

The Insurance Company will make a final decision no more than 60 days after it receives your timely appeal. However, if the Insurance Company determines that special circumstances require an extension, the time for its decision will be extended for an additional 60 days, provided that, prior to the beginning of the extension period, the Insurance Company notifies you in writing of the special circumstances and gives the date by which it expects to render its decision. If extended, a decision shall be made no more than 120 days after your appeal was received. If the Insurance Company grants your claim appeal, the decision will contain information sufficient to reasonably inform you of that decision.

However, any final adverse benefit determination on review will be in writing and include: 1) specific reasons for the decision and specific references to the Policy provisions on which the decision is based, 2) a statement that you are entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to the claim, 3) a statement of your right to bring a civil action under section 502(a) of ERISA, and 4) any other notice(s), statement(s) or information required by applicable law.
